Hi Jessie!

Hi
user2

What shall we talk about today?
user1

I guess we're supposed to wait for a bot to tell us...sorry.
user1

Well the question we are supposed to discuss is who we think is a bigger hypocrite Democrats or Republicans?
user2

Or should I should who is more hypocritical.
user2

Okay...I say Republicans.
user1

I completely agree. What would your reasonings be for that?
user2

Everything they do is hypocritical. Ban abortion because it's a life but don't care for the kids after they're born...for example.
user1

Don't count mail in votes unless it's a republican primary.
user1

For me I think a prime example would be Donald Trump. I really don't have to elaborate much on that either lol.
user2

Yes, I agree...just the lying is nearly unbearable.
user1

Ban books but not guns because it's my freedom your intruding upon.
user1

So true. And your are so right with the abortion thing and not caring about the children after they are born
user2

It's just disgusting. They say they should be told to wear a mask but they can tell a woman to die to give birth. My body, my choice...your body, my choice is their motto.
user1

And they are like that on so many issues.
user2

Yes, almost all issues, really. If you look at any one of them, you'll find hypocrisy all over the place.
user1

Do you have a certain thing that drives you crazy with them?
user1
