I think republicans are more hypocritical. They claim to be for limited government spending yet they create deficits when they are in power.
user1

I tend to think Republicans are more hypocritical because they contradict themselves quite often.
user2

I absolutely agree. Rather large deficits at that.
user2

I also think they change their mind and don't stand up for what they, themselves believe in.
user2

For example the January 6th Insurrection.
user2

They say one thing and do another. For example, they are for person freedom but against abortion rights
user1

Several Republicans said they felt it was wrong, and agreed with the root cause yet when it came time to speak up at the hearing they backed down.
