Republicans

The Republicans are absolutely the most hypocritical. I vote Democrat, yet am an extremely TRUE follower of the Lord Jesus Christ. I feel as though the republican predominately evangelicals are absolutely harming Christianity and the true word of God. I feel as though God is so ashamed of us.

We are the laughing stock of the world. The amount of Republicans claiming to want to stop abortion but do nothing to help young adults is out of control. We are told to be about our Fathers business, a parent to the orphan, a friend to the widow and we have left them. Republicans judge them and do not help. I am a teacher an active foster parent, I teach at youth groups and try to preach abstinence,
