I think hypocrisy is more common in republican viewpoints. Pro-life, but we won't support medical coverage for children or adults, won't implement gun regulations after lives lost in school shootings...
user1

Condemn the Ukraine response of the Biden admin while ignoring Trump's impeachment for trying to influence Ukraine.
user1

I would agree. I was thinking of that exact same issue. They are fine having children walk the earth but not have a good standard of living.
user2

I can't think of any examples of democrat's bias, but I am not super well read on all the issues.
user2

Sinema/Manchin issues seem relevant
