Hi!

I think republicans are more hypocritical

More hypocritical than democrats? I think there is a lot of hypocrisy in both parties, to be honest. It's frustrating.

They claimed trump did enough for COVID when in reality he did less than Biden yet they claim Biden has done nothing

I agree but the topic chat said to chose one

I feel like its really easy to lump all Republicans into one monolithic group (and do the same for democrats). The vocal ones get the most attention. Trump supporters will never be happy with anything Biden does.

Its hard to have rational discussions a lot of the time.
