To whom it may concern,

I am writing to confirm that YouGov ran a two-wave survey of 4,907 individuals for Brendan Nyhan. The first wave of the survey ran with field dates of November 20, 2018 to December 27, 2018 and the second wave of the survey ran with field dates from December 14, 2018 to January 3, 2019. While the field periods overlap, each respondent completed their Wave 2 interview after their Wave 1 interview.

We delivered the survey data and the web-tracking data to Nyhan on February 27, 2019.
