Snow is falling, lights are glowing,
Candles flicker, fires bright,
But the magic feels so hollow
When I'm alone on Christmas night.

I don't need no silver bells,
Or diamond stars to make me dream,
All the gifts on Santa's sleigh
Can't bring the joy you bring to me.

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree
I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you, yeah

Every moment pulls me deeper,
Back to where we should have been.

I didn't mean it when I said I didn't love you so
I shoulda held on tight, I never shoulda let you go
I didn't know nothin', I was stupid, I was foolish
I was lyin' to myself
I couldn't have fathomed I would ever be without your love

When you're standing all alone,

Late at night, I hear the echoes
Of the love we used to know,
Every whisper, every shadow,
Brings me back, won't let me go.

Maybe time will change the seasons,
Maybe life will pull us apart,
But no distance, no reason
Could ever erase what's in my heart.

I hear the echoes of your whisper,
Soft as the waves upon the shore,
But when I reach to pull you closer,
You're not here with me anymore.

I close my eyes and feel your heartbeat,
Like you never went away,
But the night is growing colder,
And I'm lost in yesterday.

Every move, every look, every little sigh,
You're making waves, yeah, I'm lost at sea,
So tell me, baby, what you gonna do with me?

Keep it slow, let the rhythm take control,
Got me feeling like I'm bout to lose it all,
Whisper low, let me feel it in my soul,
Boy, you know I crave the fall...

Soft whispers in the night,
I can hear you call my name,
But when I reach into the darkness,
It's only echoes in the rain.

Tears are falling like a melody,
Dancing with the wind outside,
Every heartbeat feels like memories,
Fading slow with every sigh...

We could've made everything ok
But we just
Threw the blame back and forth
We treated love like a sport
The final blow hit so low

I still hear your voice in the midnight rain,
Soft as a whisper, calling my name,
But I reach for you and you're not there,
Just an empty space, just a broken prayer.

Oh, I tried to hold on, but time won't rewind,
Every memory still lingers inside,
But I know that love never truly fades,
Even when we go our separate ways...
