I don't want a lot for Christmas

Author:

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree
I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you, yeah

I don't want a lot for Christmas
There is just one thing I need (And I)
Don't care about the presents
Underneath the Christmas tree
I don't need to hang my stocking
There upon the fireplace (Ah)
Santa Claus won't make me happy
With a toy on Christmas Day

I just want you for my own (Ooh)
More than you could ever know (Ooh)

I don't want a lot for Christmas

Author:

Sweet love, yeah

I didn't mean it when I said I didn't love you so
I shoulda held on tight, I never shoulda let you go
I didn't know nothin', I was stupid, I was foolish
I was lyin' to myself
I couldn't have fathomed I would ever be without your love
Never imagined I'd be sitting here beside myself
Guess I didn't know you, guess I didn't know me
But I thought I knew everything I never felt

The feelin' that I'm feelin' now that I don't hear your voice
Or have your touch and kiss your lips 'cause I don't have a choice
Oh, what I wouldn't give to have you lyin' by my side
Right here, 'cause, baby (We belong together)

When you left, I lost a part of me (Together)
It's still so hard to believe
Come back, baby, please
(Come back, come back, come back, come back)

There's a hero

Author:

There's a hero
If you look inside your heart
You don't have to be afraid
Of what you are
There's an answer
If you reach into your soul
And the sorrow that you know
Will melt away

And then a hero comes along
With the strength to carry on
And you cast your fears aside
And you know you can survive
So when you feel like hope is gone
Look inside you and be strong
And you'll finally see the truth
That a hero lies in you

It's a long road
When you face the world alone

We were as one, babe
For a moment in time
And it seemed everlasting
That you would always be mine
Now you want to be free
So I'll let you fly
'Cause I know in my heart, babe
Our love will never die, no

You'll always be a part of me
I'm part of you indefinitely

Sorry I've never told you

Author:

Sorry I've never told you
All I wanted to say
And now it's too late to hold you
'Cause you've flown away, so far away

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive, alive

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together (Together)
One sweet day
(And I'll wait patiently to see you in Heaven)

Darling, I never showed you (No, no, no, no)
Assumed you'd always be there (Always there)
I thought you'd always be there
I, I took your presence for granted

Author:

I was like, "Why are you so obsessed with me?"
So, oh, oh-oh-oh (Ay, ay, ay)
So, oh, oh-oh-oh (Ay, ay, ay)
So, oh, oh-oh-oh (Will the real MC please)
So, oh, oh-oh-oh (Step to the mic?)
So, oh, oh-oh-oh (MC, MC)
So, oh, oh-oh-oh (You need a MC)
So, oh, oh-oh-oh (Place to be)
So, oh, oh-oh-oh (MC, the MC)

All up in the blogs saying we met at the bar
When I don't even know who you are
Saying we up in your house, saying I'm up in your car
But you in LA, and I'm out at Jermaine's
I'm up in the A, you so, so lame
And no one here even mentions your name
It must be the weed, it must be the E
'Cause you be popping, heard you get it popping

Ooh-oh, woah

Nah-mm-mm-mm

Author:

Nah-mm-mm-mm
Nah, ooh, mm-mm-mm
Mm-mm-mm-mm

I am thinkin' of you
In my sleepless solitude tonight
If it's wrong to love you
Then, my heart just won't let me be right
'Cause I've drowned in you and I won't pull through
Without you by my side

I'd give my all to have
Just one more night with you
I'd risk my life to feel
Your body next to mine
'Cause I can't go on
Living in the memory of our song
I'd give my all for your love tonight

Baby, can you feel me?

MC

Author:

MC
Uh, uh, uh, in the place to be
Oh yeah, oh yeah, oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah, oh yeah

I know that you been waiting for it, I'm waiting too
In my imagination, I be all up on you
I know you got that fever for me, hundred and two
And, boy, I know I feel the same, my temperature's through the roof

If there's a camera up in here
Then it's gon' leave with me when I do, I do
If there's a camera up in here
Then I best not catch this flick on YouTube, YouTube
'Cause if you run your mouth and brag about this secret rendezvous
I will hunt you down
'Cause they be all up in my business like a Wendy interview
But this is private, 'tween you and I

Touch my body, put me on the floor

I shouldn't have walked away

Author:

I shouldn't have walked away
I would've stayed if you said
We could've made everything ok
But we just
Threw the blame back and forth
We treated love like a sport
The final blow hit so low
I'm still on the ground

I couldn't have prepared myself for this fall
Shattered in pieces curled on the floor
Super natural love conquers all
'member we used to touch the sky
And

Lightning don't strike
The same place twice
When you and I said goodbye
I felt the angels cry
True love's a gift

This is for my peoples who just lost somebody

Author:

This is for my peoples who just lost somebody
Your best friend, your baby, your man or your lady
Put your hand way up high
We will never say bye (No, no, no)
Mama's, daddies, sisters, brothers, friends and cousins
This is for my peoples who lost their grandmothers
Lift your head to the sky, 'cause we will never say bye

As a child, there were them times
I didn't get it, but you kept me in line
I didn't know why you didn't show up sometimes
On Sunday mornings, and I missed you
But I'm glad we talked through
All them grown folk things separation brings
You never let me know it
You never let it show because you loved me, and obviously
There's so much more left to say
If you were with me today, face-to-face

I never knew I could hurt like this
