Politicians' Theories of Voting Behavior
Overview of Supplementary Files and Data

1. **Supplementary Files.** Copy of supplementary material.

    - supplementary.pdf

2. **Ethics.** Additional information on ethics approvals and ethics approval certificates from Research Ethics Boards.

    - ethics.pdf

3. **Survey Details and Variables.** Complete question wording and codebook for variables.

    - codebook.pdf

4. **Replication code and Datasets**. Code and data to replicate all analyses, tables, and figures in main text and supplementary material

    - replication code.r — *Replication code*
    - data_allresp.RDS — *Main dataset*
    - data_citizen_extremity.RDS — *Data for response extremity analysis in SM*
    - data_cso.RDS — *Data for citizen self/other analysis in SM*
    - data_lca_probs.RDS — *Data for LCA types add'l information in SM*
    - data_lca_results.RDS — *LCA Results file*
    - data_lca.RDS — *Data set up for LCA*
    - data_localpols.RDS — *Belgian local politicians for test in SM*
    - data_timing.RDS — *Response timing data for analysis in SM*
    - question labels.xlsx — *Helper file to add labels to plots*
    - country labels.xlsx — *Helper file to add labels to plots*
