Personal Attribute Survey

How accurately can you describe yourself?

On the following three pages you will find a very wide range of adjectives that are used to describe people. Please use these terms to describe yourself as accurately as possible. Describe yourself as you honestly see yourself, in relation to other persons you know who are of the same sex as you.

Use a No. 2 pencil to fill in the circle beside each term indicating how characteristic, usual, or typical of you it is, using the following rating scale:

1 **Very** uncharacteristic and untypical of me. **Very inaccurate** as a self-description. (Or, this attribute can not be applied to me for some reason.)

2 **Moderately** uncharacteristic and untypical of me. **Moderately inaccurate** as a self-description.

3 **Slightly** uncharacteristic and untypical of me. **Slightly inaccurate** as a self-description.

4 Uncertain, neutral, or the meaning is unclear.

5 **Slightly** characteristic and typical of me. **Slightly accurate** as a self-description.

6 **Moderately** characteristic and typical of me. **Moderately accurate** as a self-description.

7 **Very** characteristic and typical of me. **Very accurate** as a self-description.
