The above-referenced study has been reviewed and approved by the University at Albany Institutional Review Board (IRB).

Protocol Approval Date: May 13, 2022 **Expiration Date:** May 12, 2027

If the research project will continue beyond the Expiration Date, you must request a continuation and provide a progress report. The request/report should be submitted at least 30 days in advance of the Expiration Date to ensure sufficient time for processing and review and to avoid a lapse in approval.

Your study may be audited at any time during or after the implementation of your project. Federal and University policies require that all research records be maintained for a period of 3 years after completion of project (6 years if supported by external funds).

Good luck with your project!

If you have any questions, please contact the IRB via the Office of Regulatory and Research Compliance by email at IRB@albany.edu or phone at 518-437-3850.
