The interactions.
How it was organized and being led by the youth group. Also the speakers were good.
The information I was able to gather about legislation and how it affects drug use.
I like being involved and meeting other people and sharing ideas.
learning different people’s opinions and seeing how they relate to each other
Got to hear other people’s point of view on different things
How interactive it was
I liked learning ways to prevent the use of the harmful substances in our school district

The clay
The activities.
Getting to talk to kids from all over the state!
The activities
The workshops
Hearing from different groups
The clay making
Loved how interactive it was! Very teen focused and over INCREDIBLY informational and engaging!! Best conference I have been to!
The peer led presentations
THE PEOPLE
The different viewpoints and experiences of everyone here.
When we went around and talked to each other

Q25 - Do you have any suggestions to improve the workshop for future sessions?

Do you have any suggestions to improve the workshop for future sessions?
Maybe a little less repetition.
Nope
Break the sessions up more to keep the youth energized.
no
More ice breakers
No
Just s bit shorter
More activities
Maybe make it shorter. The stations were very beneficial, but less presentations would make the attention span of viewers last longer. The information was great and useful, though!
