consentnote	I am an enumerator from IDinsight which is a social research organisation. We conduct surveys at different times on various issues. We are currently conducting a survey on Aadhaar. I would like to ask you some questions about Aadhaar. Your answers will help us understand what people think about Aadhaar and how they use it. We do not work for the government. We are conducting independent research. Any responses you share today will be confidential. The survey will take 40-45 minutes. We cannot assure you that if you participate in this survey you may not get benefits from the government. We will not share your responses with anyone. It will purely be used for research purpose.
