Endline Survey for LC3 (division leaders) – Kampala District Only

Repairing Information Underload Uganda

[Do not read out loud or prompt subjects with the "don't know" or "refused" options; select it only if they will not answer based on the other choices provided.]

Introduction script: Hello, [name]. My name is [name of RA] and I am working with Twaweza and their partners. About a month ago we also contacted you by phone and asked you questions about the upcoming local elections. We have also sent you messages about public services in your area. I would like to ask you a few questions about the election for division leaders in Kampala. You will receive 1000 shillings in airtime if you finish the survey, thought you can skip any questions that you do not want to answer. Your answers are completely confidential and we will not tell anybody about them. We are not affiliated with any political party and only seek to understand how people use information in elections. Is okay that I ask you a few questions?

[Don't read to subjects] Did the subject complain about not receiving airtime?
