HLT2: Comparison of R's health to others'

HLT2: Would you say your health is ... better, the same, or worse than most people your own age?

1	Better
2	The same
3	Worse
8	Don't know/refused

HL3A - HL3A: Contact with doctor past 6 months

HL3A: Contact with doctor past 6 months

HL3A: How many times have you contacted a doctor either in person or by telephone in the past six months? (0 to 50 possible)

Type
Numeric

Numeric Type
Integer

HLT4 - HLT4: Past 6 mo. need/but didn't see doctor

HLT4: Past 6 mo. need/but didn't see doctor

HLT4: In the past six months, has there been a time when you or a member of your family needed to see a doctor but did not go?

1	Yes
2	No
8	Don't know/refused

HLT5 - HLT5: Health insurance/medical coverage?

HLT5: Health insurance/medical coverage?

HLT5: Do you pay for all of your health care yourself or do you have some type of health insurance or medical coverage?

1	Self
2	Insurance
3	Some other way

HL5A - HL5A: Choice of doctors limited

HL5A: Choice of doctors limited

HL5A: Is your choice of doctors limited to a particular group of physicians?

1	Yes
2	No
8	Don't know/refused

HL5B - HL5B: Belong to HMO

HL5B: Belong to HMO

HL5B: Do you belong to a health maintenance organization (HMO)?

1	Yes
2	No
8	Don't know/refused

HL5C - HL5C: Use Medicare

HL5C: Use Medicare

HL5C: Do you receive medicare benefits?

1	Yes
2	No
8	Don't know/refused

HL5D - HL5D: Does MediCal pay for health care

HL5D: Does MediCal pay for health care
HL5D: Does MediCal pay for your health care?

1	Yes
2	No
8	Don't know/refused

HL2A - HL2A: Visit with physician past 3 years

HL2A: Visit with physician past 3 years
HL2A: Have you had at least one personal visit to a physician in the past three years?

1	Yes
2	No
8	Don't know/refused

HL2B - HL2B: Doctor ask about respondent's sexual history

HL2B: Doctor ask about respondent's sexual history
HL2B: On any occasion did a physician ask you about a history of past sexual contacts?

1	Yes
2	No
8	Don't know/refused

HL2C - HL2C: Doctor ask about respondent's sexual orientation

HL2C: Doctor ask about respondent's sexual orientation
HL2C: Did a physician ask you about a sexual preference as part of your sexual history?

1	Yes
2	No
8	Don't know/refused

HLTD - HLTD: Does R have any chronic illness

HLTD: Does R have any chronic illness

HLTD: Do you have any chronic, that is, recurring or continuouing health problems; a health problem that you have all the time or that makes you illl from time to time?

1	Yes
2	No
8	Don't know/refused

HLTC - HLTC: Any flareups of chronic illness

HLTC: Any flareups of chronic illness

HLTC: Thinking back over the past six months, have you had any illnesses, injuries or flareups of chronic health problems?

1	Yes
2	No
8	Don't know/refused

HLC1 - HLC1: Number of flareups past six months

HLC1: Number of flareups past six months

HLC1: How many illnesses, injuries or flare ups have you had over the past six months? (0 to 25 possible)

Type
Numeric

8	Don't know

AID2 - AID2: Favor/oppose mandatory blood tests for AIDS

AID2: Favor/oppose mandatory blood tests for AIDS

AID2: How much do you favor mandatory blood tests for AIDS? Do you strongly favor, somewhat favor, somewhat disfavor, or strongly disfavor mandatory AIDS testing?

1	Strongly favor
2	Somewhat favor
3	Somewhat disfavor
4	Strongly disfavor
8	Don't know
9	Refused

AD3A - AD3A: Should drug users be tested for AIDS

AD3A: Should drug users be tested for AIDS

AD3A: I am going to list some groups of people in society. For each group, please tell me if you believe they should be required to be tested for AIDS, should be tested under some situations, or need not be tested at all. Do you believe I.V drug users should be required to be tested for AIDS, be tested under some situations, or need not be tested at all?

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3B - AD3B: Should doctors and nurses be tested for AIDS

AD3B: Should doctors and nurses be tested for AIDS

AD3B: Do you believe doctors, nurses and other health care providers should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3C - AD3C: Should hemophiliacs be tested for AIDS

AD3C: Should hemophiliacs be tested for AIDS

AD3C: How about hemophiliacs? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3D - AD3D: Should people who received transfusions be tested for AIDS

AD3D: Should people who received transfusions be tested for AIDS

AD3D: How about people who have had blood transfusions in the past five years? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3E - AD3E: Should gay men be tested for AIDS

AD3E: Should gay men be tested for AIDS

AD3E: How about homosexual males? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations

3	Need not be tested at all
8	Don't know
9	Refused

AD3F - AD3F: Should gay women be tested for AIDS

AD3F: Should gay women be tested for AIDS

AD#F: How about homosexual females? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3G - AD3G: Should government employees be tested for AIDS

AD3G: Should government employees be tested for AIDS

AD3G: How about government employees? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

AD3H - AD3H: Should adults over age 18 be tested for AIDS

AD3H: Should adults over age 18 be tested for AIDS

AD3H: How about all adults over age 18? [If necessary, read: Do you believe hemophiliacs should ... be required to be tested for AIDS, should be tested under some situations, or need not be tested at all.]

1	Be required to be tested
2	Be tested in some situations
3	Need not be tested at all
8	Don't know
9	Refused

DM12 - DM12: R's ethnicity

DM12: R's ethnicity

DM12: Now we are going to ask you some questions about other aspects of your life besides your health. Is your ethnic or racial heritage ... White, Black, Mexican-American, another Hispanic group, Asian, or another group?

1	White
2	Black
3	Mexican-American
4	Another Hispanice group
5	Asian
6	Another group
8	Refused

DM02 - DM02: Was R born in the U.S.

DM02: Was R born in the U.S.

DM02: Were you born in the United States?

1	Yes
2	No

DM04 - DM04: What country R born in

DM04: What country R born in

DM04: What foregin country were you born in?

1	Canada
2	Mexico
3	Other

DM4A - DM4A: Number of years in the U.S.

DM4A: Number of years in the U.S.

DM4A: About how many years have you lived in the United States?

1	Less than 1 year
2	1 to 5 years
3	5 to 10 years
4	10 to 20 years
5	More than 20 years
8	Don't know
9	Refused

SCH1 - SCH1: How R would grade public schools

SCH1: How R would grade public schools

Now, we'd like to ask you a few questions about the living situation in your neighborhood and community.

Students are often given the grades A, B, C, D, and F to describe the quality of their work. Suppose the public schools in your community were also graded in this way. What grade would you give to the public schools here: A, B, C, D, or F?

1	A
2	B

3	C
4	D
5	F
8	Don't know

NBH1 - NBH1: R's residence type

NBH1: R's residence type

NBH1: Do you live in a ... house, apartment, townhouse or condominium, or something else?

1	House
2	Apartment
3	Townhouse or Condominium
4	Other

XSC3 - XSC3: Where lived from infancy to age 21 years

XSC3: Where lived from infancy to age 21 years

XSC3: Did you spend your childhood from infancy to 21 years old ... only in Latin America, mostly in Latin America, equally in latin America and the U.S., mainly in the U.S. and sometime in Latin America, or only in the U.S.?

1	Only in Latin America
2	Mostly in Latin America
3	Equally in Latin America and U.S.
4	Mainly in the U.S. and sometimes in Latin America
5	Only in the U.S.
9	Refused

XSC4 - XSC4: Ethnicity of R's associates

XSC4: Ethnicity of R's associates

XSC4: Do you currently spend most of your time ... almost exclusively with Mexicans or other Latinos, mainly with Mexicans or other Latinos, equally with Latinos and Anglo-Americans, mainly with Anglo-Americans, or almost exclusivelywith Anglo-Americans?

1	Almost exclusively with Mexicans or other Latinos
2	Mainly with Mexicans or other Latinos
3	Equally with Latinos and Anglo-Americans
4	Mainly with Anglo-Americans
9	Refused

XSC5 - XSC5: R's attitudes - Mexican/Latino background

XSC5: R's attitudes - Mexican/Latino background

XSC5: How do you feel about your Mexican or Latino background? Would you say you are ... very proud, somewhat proud, a little proud, not proud, but have no negative feelings toward the group, or not proud, and have negative feelings toward the group?

1	Very proud
2	Somewhat proud
3	A little proud
4	Not proud but have no negative feelings
5	Not proud and have negative feelings
8	Don't know
9	Refused

XB2B1 - XB2B1 - NOT DOCUMENTED

XB2B1 - NOT DOCUMENTED

XB2B1 - Same as XB2B2 - TWO ENTRIES DUE TO CLERICAL ERROR. How motivated would you be to begin changes in diet to lower blood cholesterol levels? Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in weight loss program
8	Don't know
9	Refused

XB2A - XB2A: R's motivation for weight loss program

XB2A: R's motivation for weight loss program

XB2A: Now, I'm going to ask you how motivated you would be to begin some health habit changes in the next six weeks. For each one, please tell me whether you would be extremely motivated, very motivated, somewhat motivated, a little motivated, or not at all motivated to begin changes in that area. First, how motivated would you be to begin changes in diet and exercise to lose weight? Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in weight loss program
8	Don't know
9	Refused

XB2B2 - XB2B: R's motivation to lower cholesterol

XB2B: R's motivation to lower cholesterol

XB2B: Same as XB2B1 - TWO ENTRIES DUE TO CLERICAL ERROR. How motivated would you be to begin changes in diet to lower blood cholesterol levels? Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in cholesterol lowering program
8	Don't know
9	Refused

XB2C - XB2C: R's motivation for aerobic exercise program

XB2C: R's motivation for aerobic exercise program

XB2C: How motivated would you be to begin aerobic exercise to increase physical fitness and endurance? Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in aerobic exercise program
8	Don't know
9	Refused

XB2D - XB2D: R's motivation for smoking cessation program

XB2D: R's motivation for smoking cessation program

XB2D: How motivated would you be to begin cigarette smoking reduction and cessation? [If necessary, read: Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?]

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in smoking cessation program
8	Don't know
9	Refused

XB2E - XB2E: R's motivation for lowering or stopping alcohol consumption

XB2E: R's motivation for lowering or stopping alcohol consumption

XB2E: How motivated would you be to begin changes to reduce or avoid alcohol consumption? [If necessary, read: Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?]

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in alcohol reduction/cessation program
8	Don't know
9	Refused

XB2F - XB2F: R's motivation for ending drug or alcohol use

XB2F: R's motivation for ending drug or alcohol use

XB2F: How motivated would you be to begin changes to eliminate the use of alcohol or another drug? [If necessary, read: Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?] (This question was followed by XB2W which asked which drug R would want to eliminate. Data are recorded in ODRG)

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated
5	Not at all motivated
6	Already involved in ending drug or alcohol use program
8	Don't know
9	Refused

XB2G - XB2G: R's motivation for stress reduction

XB2G: R's motivation for stress reduction

XB2G: How motivated would you be to begin changes in relaxation to reduce stress? [If necessary, read: Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?]

1	Extremely motivated
2	Very motivated
3	Somewhat motivated
4	A little motivated

5	Not at all motivated
6	Already involved in stress reduction program
8	Don't know
9	Refused

XP2 - XP2: R ever participated in self-help program

XP2: R ever participated in self-help program

XP2: How you participated in a self-help group at any time in the past?

1	Yes
2	No
9	Refused

XP3 - XP3: How useful are self-help groups

XP3: How useful are self-help groups

XP3: How helpful was your self-help group experience? Would you say ... extremely, very, somewhat, a little, not at all motivated, or are you already involved in this type of program?

1	Extremely helpful
2	Quite helpful
3	Slightly helpful
4	Not at all helpful
8	Don't know
9	Refused

XP1 - XP1: Anyone know of R's self-help group participation

XP1: Anyone know of R's self-help group participation

XP1: Has anyone else you know participated in a self-help group?

1	Yes
2	No
9	Refused

XP4 - XP4: Likelihood R interested in local groups

XP4: Likelihood R interested in local groups

XP4: How likely is it that you would be interested in learning more about a specific self-help group in your area? Would you say ... extremely likely, very likely, somewhat likely, not very likely, or not at all likely?

1	Extremely likely
2	Very likely
3	Somewhat likely
4	Not very likely
5	Not at all likely

8	Don't know
9	Refused

XP5A - XP5A: R's interest in diet management groups

XP5A: R's interest in diet management groups

XP5A: If you were to consider participating, how interested do you think you would be in participating in any of the following self-help groups in the next six weeks? How about a roup for nutrition and diet management? Would you say ... extremely interested, very interested, somewhat interested, not much interested, or not at all interested, or are you already involved in this type of group?

1	Extermely interested
2	Very interested
3	Somewhat interested
4	Not at all interested
5	Not at all interested
6	Already involved in this type of group
8	Don't know
9	Refused

XP5B - XP5B: R's interest in alcohol or drug problem groups

XP5B: R's interest in alcohol or drug problem groups

XP5B: If you were to consider participating, how interested do you think you would be in participating in any of the following self-help groups in the next six weeks? How about a group for problems with alcohol or drugs? Would you say ... extremely interested, very interested, somewhat interested, not much interested, or not at all interested, or are you already involved in this type of group?

1	Extermely interested
2	Very interested
3	Somewhat interested
4	Not at all interested
5	Not at all interested
6	Already involved in this type of group
8	Don't know
9	Refused

XP5C - XP5C: R's interest in stress reduction groups

XP5C: R's interest in stress reduction groups

XP5C: How about a group for stress reduction? Would you say ... extremely interested, very interested, somewhat interested, not much interested, or not at all interested, or are you already involved in this type of group?

1	Extermely interested
2	Very interested

3	Somewhat interested
4	Not at all interested
5	Not at all interested
6	Already involved in this type of group
8	Don't know
9	Refused

XP6C1 - XP6C1: R not attend out of embarrassment?

XP6C1: R not attend out of embarrassment?

XP6C1: (Same as XP6C2 - clerical error) Would feeling embarassed interfere with your willingness to attend self-help groups? Would you say ... yes, perhaps, or no?

Numeric Type
Integer

XP5E - XP5E: R's interest in health management groups

XP5E: R's interest in health management groups

XP5E: How about a group for a health problem? [If necessary, read: Would you be ... extremely interested, very interested, somewhat interested, not much interested, not at all interested, or are you already involved in this type of group?]

1	Extermely interested
2	Very interested
3	Somewhat interested
4	Not at all interested
5	Not at all interested
6	Already involved in this type of group
8	Don't know
9	Refused

XP5F - XP5F: R participate in other self-help groups

XP5F: R participate in other self-help groups

XP5F: Would you be interested in participating in a group for any other problems?

1	Yes
2	No

XP6C2 - XP6C2: R not attend self-help groups - embarrassed

XP6C2: R not attend self-help groups - embarrassed

XP6C2: (Same as XP6C1 - clerical error) Would feeling embarassed interfere with your willingness to attend self-help groups? Would you say ... yes, perhaps, or no?

1	Yes
2	Perhaps
3	No

XP6F - XP6F: Does talking about problems do good

XP6F: Does talking about problems do good

XP6F: How about feeling that talking about a problem does not do much good? [If necessary, read: Would feeling that talking about a problem does not do much good interfere with your willingness to attend self-help groups? Would you say ... yes, perhaps, or no?

1	Yes
2	Perhaps
3	No

EFFT - EFFT: Motivation for R's improvement (data storage location for XB1A)

EFFT: Motivation for R's improvement (data storage location for XB1A)

EFFT: (Covers questions for the XB1 series of questions. Some of these were dropped in 1988 due to the length of the questionnaire, but data exists in this field for XB1A)
(XB0) We have have now just about completed the interview, but we need to ask you a few more items regaring health habits and changes.
Some people will plan and carry out a personalized program to change something which they do not like about themselves. Examples are a diet program to lose weight, planning to take regular daily time-outs to reduce stress, or a personal effort to stop smoking.
(XB1) Are you currently participating in your own personal program or effort to change some habit that bothers you> (R can anser yes (1) or no (2). If XB1 EQ 1 then goto XB1A else goto XB2A)
(XB1A) What motivated this program or effort? (0 to 255 possible)

11	Gaining weight, need to diet, lose weight
12	Problem with health in general
13	Improve own health, increase or maintain fitness, feel better
14	Health consciousness, care about health, self-interest, self-motivation
15	Occurrence of major health or medical problem, heart attack
16	Presence of a chronic health problem, diabetes, asthma
17	To reduce stress, presure, etc.
21	Dissatisfaction with self, improve self-image, unhappy with appearance
22	Living up to Southern California norms, lifestyle
23	Encouragement from significant other, fiance, spouse, children, friend
24	Quit a bad habit, quit smoking
25	Religious orientation, preserve God's temple
26	Encouragement from friends or "experts"

27	Debts, financial problems
31	Made up own mind to do it
32	Unsure what it was
98	Don't know

ODRG - ODRG: Which drug R would eliminate (data storage location for XB2W)

ODRG: Which drug R would eliminate (data storage location for XB2W)

ODRG: This variable documents XB2W. This question comes between XB2F and XB2G.
(XB2W) Which drug would you want to eliminate? (2 to 255 possible)

10	Aspirin, Tylenol, Pain killer
11	Alcohol
12	Cocaine, crack
13	Sedatives, e.g. valium, tranquilizers
14	Marijuana
15	Heroin
16	Cigarettes, nicotine, tobacco
17	Steroids
18	Other drugs not included above, all drugs, etc.
98	Don't know
99	None

OPRB - OPRB: What problem needs group help (data storage location for XP5W)

OPRB: What problem needs group help (data storage location for XP5W)

OPRB: This variable contains data for the question XP5W and lies between XP5A and XP5F. It is part of the XP5 series of questions.
(XP5A) If you were to consider participating, how interested do you think you would be in participating in any of the following self-help groups in the next six weeks?
(XP5F) Would you be interested in participating in a group for any other problems? If XPF5 EQ1 the goto XP5W else goto DM13.
(XP5W) What type of problem? (0 to 255 possible)

11	Stress, how to deal with it, stress reduction
12	Dietary control
13	Smoking cessation
14	Drug abuse in general
15	Weight management
16	Alcohol abuse, support for family of alcoholic
17	General health management, coping with health problem
18	AIDS
19	Exercise
21	General self- management, discipline

22	Assertion
23	Coping with negative feelings, loneliness, suicide
24	Grief or loss
25	Time management
26	General mental health
31	Raising children, coping with child abuse
32	Crime prevention
33	General family problems
34	Dealing with heterosexual relationships
35	General social problem, environmental problems
98	Don't know
99	None
