Field	Question	Answer
	working with CRERD on a research study for the soap opera series – MTV Shuga, to find out its impact and effectiveness. This is a follow up call on the research conducted with you in October last year. I would very much appreciate your participation in this survey, even though it is voluntary. The interview with you will take approximately 30 to 35 minutes to complete and every detail of it will be kept confidential and only used for the research purpose. If you agree, you will be asked to respond to questions on sexual behaviour, contraception, childbearing as well as your exposure to Shuga program activities. There is no risk to you and no direct benefit. At the end of the interview telephone credit of N305 will be sent to your phone to thank you for your time. If you have any questions later, you may contact the survey coordinator at 08033816486.
