IN CASE OF NO ANSWER OR TWO ANSWERS IN ANY RESPONSE:

- When there was no answer to a question, the box was left blank.
- In the case that two answers were given, the following procedure was applied:
    - If the answers were not consecutive (1-3, 2-5, 1-4, etc.), the question was left blank.
    - If the numbers of the answers were consecutive (1-2, 3-4, 4-5), the average of both answers was taken.
