This document describes the files needed to reproduce the results reported in:

Sánchez-García, Álvaro; Rodon, Toni; and Delgado-García, Maria (2024) Where has everyone gone? Depopulation and voting behaviour in Spain, *European Journal of Political Research*.

The reproductive files are as follows:

- "analysis_manuscript.R": An R script file to reproduce all figures and analyses included in the body of the article.
- "analysis_appendix.R": An R script file to reproduce all figures and analyses included in the appendices.

Datasets:

- "long_time.RData": An R file with data at the municipal level from 1989 to 2019.
- "short_time.RData": An R file with all variables at the municipal level from 2011 to 2019.
- "manifestos_project.csv": A file with data from the Manifestos Project.
- "mapa_municipios_ESPCAN.dbf", "mapa_municipios_ESPCAN.prj", "mapa_municipios_ESPCAN.shp", and "mapa_municipios_ESPCAN.shx": Different spatial files data of the municipalities of Spain with the recoding of the coordinates of the Canary Islands.

- "nov19.sav", "apr19.sav", "jun16.sav", "dec15.sav", and "nov11.sav": The different databases of the Centro de Investigaciones Sociológicas (CIS) surveys used to compile Figure B6.
