This document explains supplementary files associated with the article "Checking Out Checkout Charity: A Study of Point-of-Sale Donation Campaigns" by Adrienne W. Sudbury and Christian A. Vossler. *Journal of Economic Behavior and Organization*, manuscript JEBO-D-21-00314.

Files:

SV replication data.dta	This is a Stata-formatted data file containing all the variables needed for replicating the analysis presented in the paper. The data set was created in Stata version 17. All variables are clearly named and described.
SV replication code.do	This is a Stata-formatted "do" file that contains commands to reproduce the results presented in the paper. The code is annotated.
SV replication log.pdf	This is a PDF file containing all the output obtained from executing the do-file.
