Parts of the data employed in the analysis are drawn from Norwegian administrative registers and cannot be shared publicly for legal reasons. Researchers can gain access to the data by submitting a written application to Statistics Norway. More information is available at https://www.ssb.no/en/omssb/tjenester-og-verktoy/data-til-forskning

Please consult the corresponding author Henning Finseraas at henning.finseraas@samfunnsforskning.no if you need help to order the files needed to construct the data set we use in the paper.

We have submitted the following files to the BJPS Dataverse: 1) a Stata do-file and 2) R-file which together produces the results in the paper, and 3) the survey data used in the paper.
