Information for Replication

Manuscript Number: 249186733.R1
Paper Title: "Institutionalized Authority and Personal Traits of Executive Heads in International Organizations: A New Database"

- The following are the novel, two datasets that are introduced by this paper, and their related materials.
    - EH_authority (csv)--attached to this email
    - EH_traits (csv)--attached to this email
    - Codebook–attached to this email
- All of the above are already available in the following URL at Harvard Dataverse
    - https://dataverse.harvard.edu/dataset.xhtml?persistentId=doi:10.7910/DVN/UEOIX4
    - How to cite:
        - Takahashi, Tomoko; Sanae Suzuki; Taku Yukawa, 2024, "Institutionalized Authority and Personal Traits of Executive Heads in International Organizations: A New Database", https://doi.org/10.7910/DVN/UEOIX4, Harvard Dataverse, V1

- The following are the actual materials/ information required for replication.
    - Combined_data (csv)–attached to this email
        - This is an excel file that combines our two original datasets and also the data from the following citation, so as to run the illustrative analysis in our paper.
        - Citation: Tallberg, Jonas, Magnus Lundgren, Thomas Sommerer, and Theresa Squatrito. 2020. "Why International Organizations Commit to Liberal Norms." *International Studies Quarterly* 64 (3): 626–640. https://doi.org/10.1093/isq/sqaa046. (Their data is available from the replication file attached to the journal URL: https://academic.oup.com/isq/article/64/3/626/5870860)
    - Replication file (txt)--attached to this email
        - This is the actual R code used for the illustrative analysis.
    - Reade me file (txt)--attached to this email
    - Other information
        - Software: R (the authors have used R Studio version 2022.02.3+492 to run the data)
