Codebook for `pretest.csv`

"Can Political Speech Foster Tolerance of Immigrants?,'
Schleiter, Tavits and Ward

The response categories for evaluation items of "Tolerance," "Economy," and "All Immigrants" are "Not at all," "To some extent," and "To a large extent." For "Speaker Party" the categories are "the Democratic Party," "the Republican Party," and "some belong to the Democratic Party, some to the Republican Party." See SI 7 for more details. This data set also includes `ResponseId` and `Duration` which have the same meaning as those items in our other datasets.
