Social science and ethics in COVID-19 research: Coding framework documents

NVivo Codes

Name	Description	References
01 Additional Information	This includes further information requested by SERU; issues of language; consent; information sheet; risks and benefits	114
01.01 Abstract details; lay summary	This includes scenarios where the abstract does not fully encompass a part of the protocol; requires more detail, aims/endpoints/methods etc	10
01.02 Background Information		6
01.03 Hypothesis, Objectives		7
01.04 Methods		32
Data Handling		22
Cold Chain		1
Data Analysis		6
Data Collection		11

Name	Description	References
Data Storage		4
Study Population, Selection Criteria		5
Study Site		3
01.05 Budget		8
01.06 Timeline		7
01.07 Limitations		4
01.08 Additional resources, tools		5
01.09 Grammar, Language; technical terms; definitions; spelling, omitted text		33
01.10 Roles of Investigators		2
02 Ethics Considerations		180
02.01 Scientific Validity		62
Information Accuracy		7
Sample Size, Processing		10

Name	Description	References
Study design		36
Ancillary Care		1
COVID 19		19
Training, Study Procedures		4
Study Justification, Problem Statement	This includes comments regarding the clarity of the question, whether there is overlaps with other studies, its justification	9
02.02 Information Sheet and Consent form		0
content		31
Grammar, language, technical terms		12
02.03 Benefits vs Risks to Participants		18
Compensation		12
02.04 Respect for persons, community		46
02.02 Stigma		6

Name	Description	References
02.03 Safety Considerations		28
Participants		23
Research Staff		5
02.04 Confidentiality		12
02.05 Community Engagement; Recruitment		10
02.06 Fair Selection of Participants, Inclusion, Exclusion Criteria, Recruitment		24
02.07 Data Sharing	This includes how data is collected, stored and shared	14
02.08 Collaborative Partnerships		6
03 Regulatory Processes		25
04.01 Ethics Certificate		8
04.02 Guidelines	This includes referencing or mentioning guidelines which contribute to any process of the protocol	4
04.04 Regulatory Committees permission sought		8

Name	Description	References
04.05 DSMB		3
decision for new protocol vs amendment		2
