Request for informed consent as implemented during the Yangon Mechanization Cluster Survey of 2016

My name is [name of enumerator] and I would like to interview your business for a survey that is being conducted by researchers from the Myanmar Development Research Institute - Center for Economics and Social Development (MDRI-CESD), Michigan State University and the International Food Policy Research Institute. This survey aims to provide researchers with a detailed understanding of agriculture mechanization in Myanmar. We aim to interview all machinery dealerships in Yangon city and the immediate vicinity. The interview will take up to 2 hours to complete. You have the right to not participate or stop the interview at any time. Please note, however, that we value your participation. Be assured that the information you give will be held in the strictest confidence and in no circumstance will you or your business be identified. If you have questions or concerns about your role and rights as a research participant, or if you would like to receive more information about this study, you may contact, anonymously if you wish, Ko Aung Hein of the Myanmar Development Research Institute at 09 974 777 150 / 09 261 908 298.
