Survey responses from Southern California sample of Latino participants as part of 2VIDA!, assessing factors influencing belief in COVID-19 vaccine efficacy.

Variable Codebook

Variable Name	Description	Value	Label	Type
id	Observation number			string
belief1	I believe a vaccine can help control the spread of COVID-19	1	Agree	float
		2	Neither	
		3	Disagree	
age_c1	Age	0	Gen X or Older	float
		1	Millenials or Younger	
relationship1	Current Relationship Status	0	In Relationship	float
		1	Single	
sex1	Sex Assigned At Birth	0	Male	float
		1	Female	
educationlevel1	Participant's Level of Education	0	Grade 12/GED or Higher	float
		1	Less than Grade 12/GED	
birthplace1	Location of Birth	0	United States	float
		1	Other Country	
income1	Total Combined Family Income	0	$50,000 or more	float
		1	< $50,000	
insur1	Health Insurance Status	0	Insured	float
		1	Uninsured	
getsick1	Perceived Likelihood of Contracting COVID-19	0	Likely	float
		1	Neither Likely nor Unlikely	
		2	Unlikely	
numvaxx_c	Number of COVID-19 Vaccine Doses Received	0	At least two	float
		1	One or fewer	
allvacc1	When everyone else is vaccinated against COVID-19, then I don't have to get vaccinated.	0	Disagree	byte
		1	Neither agree nor disagree	
		2	Agree	
findinfo1	Ease of Finding COVID-19 Information	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
restrict1	How Easily Able to Understand COVID-19 Restrictions	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
follprot1	How Easily Able to Follow Protections	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
understay1	How Easily Able to Understand Quarantine Instructions	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
follstay1	How Easily Able to Follow Quarantine	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
undersoc1	How Easily Able to Understand When to Engage in Social Activities	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
judge1	How Easily Able to Judge COVID-19 Information	0	Easy	float
		1	Neither Easy Nor Difficult	
		2	Difficult	
trust_paper1	How Much Trust In Newspaper for COVID-19 Information?	0	Little Trust	float
		1	Neither	
		2	Much Trust	
trust_hcw1	How Much Trust In Health Workers for COVID-19 Information?	0	Much Trust	float
		1	Neither	
		2	Little Trust	
trust_HD1	How Much Trust In Health Departments for COVID-19 Information?	0	Much Trust	float
		1	Neither	
		2	Little Trust	
trust_hot1	How Much Trust In National COVID-19 Hotlines for COVID-19 Information?	0	Much Trust	float
		1	Neither	
		2	Little Trust	
trust_site1	How Much Trust In National COVID-19 Websites for COVID-19 Information?	0	Much Trust	float
		1	Neither	
		2	Little Trust	
use_HD1	How Often Using Health Departments for COVID-19 Information?	0	Often	float
		1	Neither	
		2	Not Often	
use_CDC1	How Often Using The CDC for COVID-19 Information?	0	Often	float
		1	Neither	
		2	Not Often	
use_inf1	How Often Using Celebrities/Influencers for COVID-19 Information?	0	Not often	float
		1	Neither	
		2	Often	
use_WHO1	How Often Using The WHO for COVID-19 Information?	0	Often	float
		1	Neither	
		2	Not Often	
use_hot1	How Often Using National COVID-19 Hotlines for COVID-19 Information?	0	Often	float
		1	Neither	
		2	Not Often	
use_site1	How Often Using National COVID-19 Websites for COVID-19 Information?	0	Often	float
		1	Neither	
		2	Not Often
