Additional visualisations **5**

This is the online appendix for: Katren Rogers. forthcoming. "Party ideology and care policy: the decline of institutional care since 1950". *Journal of European Social Policy*.

Tables from the paper

Table 2: Peak institutional populations (listed by date of peak asylum population)

Country	Asylums	Orphanages
England	1954	1948
United States	1955	1935
Ireland	1959	1970
Canada	1962	1965
Sweden	1963	1940
Italy	1963	1975
Australia	1963	1961
France	1970	1975
New Zealand	1972	1975
Denmark	1972	1957
Germany	1975	1977
Netherlands	1984	1969
