Audit of General Election-Machine Audit

On November 10th, 2020 at 12pm Kent County Director Doris Young called order the meeting, which was held at the Kent Count Office in the Absentee Room. The following persons were present at the meeting: State Commissioner of Elections Anthony Albence, Kent County Director Doris Young, Kent County Deputy Director Ralph Artigliere, and 4 Department of Elections Staff. There were no members of the public present.

Anthony Albence prior to the audit had selected machine number **XL0118030229**, this machine was located at W. Reily Brown Elementary during General Election held on November 3rd, 2020.

The audit consisted of 2 teams; each team had two team members who were of opposite parties to keep the audit nonpartisan. The teams manually recounted the ballots to ensure that the number of ballots processed matched the number of activation cards that were present in the secure card containers. Then they manually recounted the number of votes that each candidate received for the office of Insurance Commissioner.

The public count of machine number **XL0118030229** was 241 total. Every office had a total of 241 votes/undervotes.

The secure card container from machine **XL0118030229** matched the public count numbers on the machine tape.

Meeting was adjourned at 1:10PM

Respectfully,

Doris J. Young
