Clear Ballot

Mr. Chuck Broerman
Office of the County Clerk and Reporter
1675 W. Garden of the Gods Road
Suite 2201
Colorado Springs, CO 80907

October 6, 2021

Dear Mr. Broerman,

At the request and with the assistance of El Paso County, CO, Clear Ballot has conducted an independent tabulation of the results from the November 3, 2020 General Election. The County provided Clear Ballot with ballot images of all ballots officially cast during the election. Using those images, Clear Ballot retabulated the ballots and compared Clear Ballot's results to the official election results.

Our tabulation of the election results was completely independent. Attached to this letter, you will find a summary report of Clear Ballot's tabulation results and the comparison of those independent results to those of the primary tabulation system. As indicated in the report, no contests exceeded a ratio of 0.018%. In Clear Ballot's experience conducting independent tabulations in numerous states and counties, this very small difference is typical when two separate systems tabulate paper ballots.

Sincerely,

Keir Holeman
Vice President of Technical Services, Clear Ballot Group
