Subject: 2% Audit of 2020 General Election

On December 1, 2020 the Election Board completed a State mandated audit of ballots cast in the November 3, 2020 General Election. This Audit was properly advertised and took place in a room open to the public. The audit was performed with five (5) counting teams of four (4) members each. Each team consisted of two (2) Republicans and two (2) Democrats. As a blind audit, reports verifying the totals for each batch were not reviewed until counting was complete.

On December 10, 2020 the Ocean County Board of Election's Commissioners held a meeting to announce and certify the results of the audit. The findings of the audit as well as the audit batch selections are attached herein. There were a total number of 3,355 batches run for the General Election; two percent of this number, or 73 batches, were counted.

If you need additional information, please let us know.

Thanks.
