Robert Giles,

The Monmouth County Board of Elections performed a post-election audit, Thursday, December 3 and Friday, December 4, 2020, in compliance with the provisions outlined in N.J.S.A. 19:61-9 and guidelines issued by the New Jersey Secretary of State's office. The audit was open to the public.

The batches for the audit were randomly selected by the public on December 2, 2020. Attached is the listing of the batches divided by Congressional district and sorted alphabetically by town.

The mail-in and provisional ballots were subject to a hand-to-eye count for the offices of the United States President, United States Senate, United States House of Representatives, Monmouth County Freeholder and Mayor.

The tabulation accuracy was 100% with the exception of ballots that had initials or signatures on the ballot that caused voids during the hand-to-eye audit. As clarification, the tabulators do not recognize these anomalies on the ballots. Voter initials and/or signatures were found on less than 1% of the ballots.

If you should have any concerns or questions, please contact me.

Regards,

Tracee Johnson, Chief Clerk
Monmouth County Board of Elections
