Is this game religious in any way, I mean do you fight biblical enemies?

Don't think so, but does that really make it a better or worse game for having biblical enemies?

Yeah, sorry I wasn't trying to come across as brash there lol.

I really don't think there's any type of religious enemies in this game. I don't remember any in Demon Souls at least.

Certainly not any "biblical" enemies, if you're referring to the Christian bible.
