So did mine, they also banned us playing it because it was too "dangerous" and yet we could play wrestling and stuff... sigh..

they banned the cars, because people started to cry when we gambled :}. The teachers hated me when i owned all with my special cards :]

I feel you.. My school banned flippo's :P (little game disc game) ,after that pokemon cards because of gambling and the fact that tey wehre being stolen and dragonball z cards for the same reason..only game we where aloud to play is marbles...which sucks

Saudi Arabia banned Pokemon.

America banned Future Boy Conan.

Saudi Arabia wins.

Such a bad reason to ban something. The practically can do whatever they want with any invalid reason behind it.
