Answer the poll question and then simply state whether you consider yourself to be religious or a non-believer in your post.

If you are Agnostic, you can choose 'Non-believer'.

"Spiritual but not religious" is what I think he meant. That's for those people who think "something is out there" but don't subscribe to an organized religion.

Or he could be a weak follower of a religion, such as not praying or going to church but still believing in God.

Pittsburgh Steelers: 4-3, Prayers for Leveon Bell
NY Mets: 1-3, we can still come back
