Probrably not.

But these people think otherwise and want to make a petition.

This is really stupid. Games don't create violence kids IMO. Obviously little kids shouldn't play this, but adults and teenagers who have a decent mental capacity should only have fun with this game.

You know what caused Columbine? Two kids that were pushed too far and that weren't taught how to control themselves. Simple enough. It wasn't Doom or Marilyn Manson.

Also this is the quote the petition is talking about.

"Doom III has slightly lower expectations around it than the second coming of Jesus." - Wired, May 2003

Its a funny quote, but these people took it seriously.

I SHOULD HAVE BEEN THE ONE TO FILL YOUR DARK SOUL WITH LIIIIIIIIIIGHT!!

Anyone who is a servant of CHrist will stay far away from this Satanic game. Be warned this game is not of God or from God but from Satan. It's seen in the advertizing and in the actual game itself.

In Christ,
Andrew

"For God loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. God sent his Son into the world not to judge the world, but to save the world through him."
