Maybe Floris isnt your mod of choice then. AD1257 might be better crusade, and religion plays more of a role than in Vanilla/Floris Calr make a difference

Never use blunt weapons? Be very mean to everyone? Idk, honestly so that may be tough

Brytenwalda is good for roleplaying in this regard. You have Christian religions. Pick one and kick the rest the hell out of the Isles. There ar churches to burn!

Wouldn't do it in Floris. Religion doesn't exist outside of two sentenc character creator.

Phantasy Calradia will let you do this. You can play as a priest with h flamestrike are the two most useful.
