How Much do you think the DEVOTEChristians will shun this game because it's all in Hell. Even though you are battling through it for the love of your life?

It's spelled "Devout", and if these so called Christians are truly Christians, they'll forgive the developers and play the game. Otherwise, the rest of the religious fanatics who label themselves Christians won't get past the second circle.

The funny thing is the amount of atheists on this board. Dante's Divine comedy is a more or less treasured among the christian community. It was written by a Catholic for pete's sake, in ITALY, the damn papal seat.

The only people protesting this are the illeterate fanatics who have never even heard of the poem, only

understanding that the "cross is used as a weapon"... against demons. You know, the ones that Jesus says his symbol and our faith are weapons against?

Seriously, this is a game board... Could it PLEASE be about the videogame, not act as everyone's soapbox of hate speech?
